

Dear Joel,

On behalf of the men and women currently serving in Basra Iraq, we would like to send our deepest appreciation for your thoughts and support for the Basra Bow Club. The article published in Peterson's Bow Hunting Magazine and various personal donations have allowed the Soldiers, Sailors, Marines and Airman here on COB Basra the ability to enjoy Archery sports while serving overseas. The Archery range is still open for use by anyone who chooses. We have managed to improve the range with some 3d targets and we use all of the contributions and donations to repair and refurbish existing bows or arrows in order to keep the range up and running. The founders of the club have recently completed their tour of duty in Iraq and the Soldiers of the 1st Infantry division will continue to maintain and improve the range for other Soldiers in the future. None of this could have been possible without the support of our fellow Americans whom take such pride in the Men and women in Uniform serving our Great country. Again, we thank-you for all of your support. Please accept this mission Flag flown by the Soldiers of the 1st infantry Division to honor our country and the Friends family and country men who support us in all of our efforts.

Sincerely,

SGM Dave Santos

David.santos3@us.army.mil

Joel,

We are always happy to share with our Airforce Counter-parts. Thanks again for all of your Support. The range is in need of replacement sights and rests. We go thru arrows frequently due to A-lot of new shooters. We welcome what-ever else you are able to send. The men and women here are grateful for your support
